How to purchase Duuo Gig Insurance

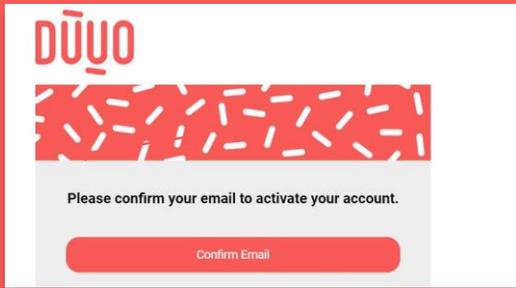

You've just secured your gig with FixIt, congrats! Now it's time to purchase gig insurance coverage from Duuo.

It only takes 5 minutes! Let us show you how it's done.

How to purchase Duuo Gig Insurance

1. After securing your gig with FixIt, you'll receive an email with a link to Duuo's [Handyman Services page](#). Once you get there, Click "sign up & get coverage".

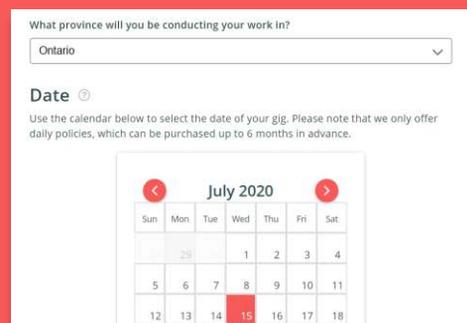

2. After signing up and receiving your confirmation email, click the "confirm email" button and you'll be ready to get a Duuo quote!

3. Log in to your new Duuo account and select "I am a gig worker" from the landing page.

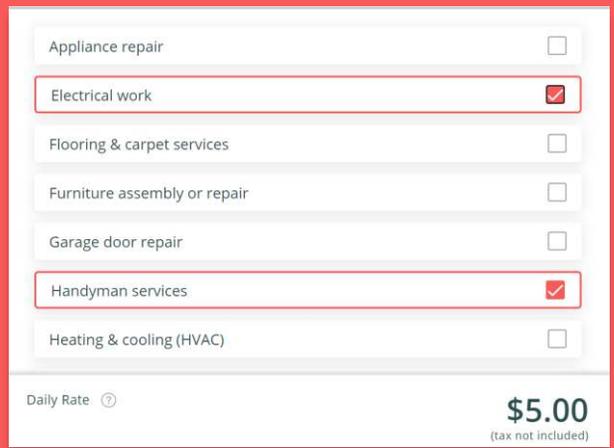

4. On the "Your platform" screen select the FixIt logo.

5. Let us know where and when your gig will take place.

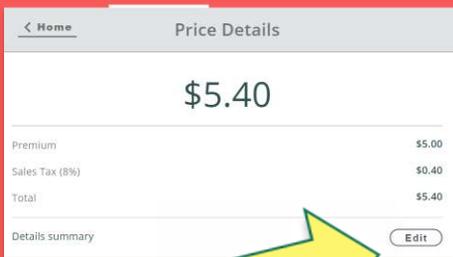

Tip: Duuo only offers daily policies. If you're planning to work a multi-day gig, you'll need to purchase a new policy for each day you require coverage.

6. Let us know what activities you'll be conducting! Read through the excluded activities then select **all** work you'll be completing in a day. The daily rate tab at the bottom of the screen will show you the cost.

A screenshot of a service selection interface. It features a list of services with checkboxes: Appliance repair, Electrical work (checked), Flooring & carpet services, Furniture assembly or repair, Garage door repair, Handyman services (checked), and Heating & cooling (HVAC). At the bottom, a 'Daily Rate' is displayed as \$5.00 (tax not included).

A screenshot of a 'Price Details' screen. It shows a total price of \$5.40. Below this, a breakdown is provided: Premium (\$5.00) and Sales Tax (8%) (\$0.40). There is an 'Edit' button at the bottom right.

7. When you get to the “Price Details” screen, scroll down to learn more about your coverages and read the Duuo disclosure. If you need to make a change, click “edit” to be taken back to the “Your platform” screen.

Tip: You won't be able to proceed unless you've read and accepted our disclosure and agreed to our terms of service! You'll only ever have to accept the Duuo disclosure once.

8. You're almost finished! Just let us know a few more details and you'll be ready to purchase your coverage.

Tip: It's helpful to give your gig a name, so you can tell the difference between all the jobs you'll be working on any given week.

A screenshot of a 'Send proof of insurance' screen. It contains explanatory text and a checkbox that is checked, indicating consent to have confirmation of coverage sent directly to the platform.

9. FixIt requires proof of insurance, so with your consent, we will automatically send it over to the platform, so you don't have to worry about it! Click the box that says, “I consent to having my confirmation of coverage sent directly to my platform.” and we'll take care of the rest.

10. Simply enter your payment information and you're all set! We'll send you a confirmation email to let you know that you're covered.
