

How does Duuo work with property managers?

At Duuo, our goal is to make it easy for property managers to track tenant insurance across all properties, while seamlessly integrating with your tenant application process. You'll feel confident providing your tenants with an affordable, reliable insurance solution, without any additional work needed from you!

Here's how we Duuo it

1. Through robust education & awareness campaigns, we provide your tenants with the resources they need to understand the importance of tenant insurance coverage.
2. As a preferred partner, your clients will receive a special rate on the cost of their tenant insurance premium!
3. Duuo's Insurance Management Tool allows property managers to seamlessly collect and track insurance certificates submitted by your tenants.
