**\$11**

*\*Your policy may slightly differ in price, depending on your event type and provincial tax rate.*

## Why do I need event insurance?

Our policies provide **protection** in the event your Uncle takes "tearing up the dance floor" a little too literal!

It gives you **peace of mind** while hosting so you can focus more on mingling with your guests and celebrating all you put together

The process is **entirely digital and low-cost**, saving you more time for planning and more money for that elaborate decor
